

# Niceville High School Chorus

800 East John Sims Parkway  
Niceville, Florida 32578

Dear Community Partner,

The Niceville High School Chorus is very grateful for the outpouring of support that we have received from our community year after year. The financial support we receive allows our student musicians to sing in the county honor choir, compete for all-state seats, have sheet music, sing at district and state music assessments, and have materials that enhance learning. This investment is a good one, as research has shown that a musician is a better student and citizen within the school community.

We have seven performing choirs that meet each day at Niceville High. From pop to jazz to the classics, our students are exposed to the best music within our award-winning organization. Since 1991, every Niceville choir has earned the top rating of Superior at District 1 assessments. In 2024, our choir placed more students in the All-State chorus than any other public high school in the state of Florida. Opus One, Barbershop Boys, and the Jazz Girlz perform regularly for the community. As a whole, the groups have entertained tens of thousands over the years.

I invite you to help us maintain and enhance our vocal music program at Niceville High School. While not in the public eye as much as some other school groups, our young musicians are overachievers and the best at what they do across the Southeast. Their skills and talents go overlooked much of the time. The people who enjoy their music most are often the ones who do not understand that the funding required for them to excel and learn is never enough to cover needs.

You can help. You can financially sponsor our program through our various sponsorship levels. Recognition for helping may never be what we would like it to be, but we will acknowledge your generosity in the programs of our large concerts. You can feel confident knowing that whatever your donation, your gift will find its way to our student-musicians.

Additionally, you will have the option to participate in our scholarship program and donate to Grant's Wish. Grant's Wish was established in 2023 by Walt and Selena Rogers in memory of their son, Grant Ransom, NHS Class of 2020. The purpose of this fund is to be able to provide aid for chorus fees and travel for students who need financial assistance, honoring Grant's legacy and the positive impact our chorus program had on him while he was a student.

I have included the sponsorship and scholarship forms. Please mail these forms back to Niceville High School Chorus at the address listed at the top of the page. Contact me at [catherine.feazell@okaloosaschools.com](mailto:catherine.feazell@okaloosaschools.com) if you want to know more about our premier music program and thank you in advance for supporting our kids as they make music.

Contact Mailing Address: \_\_\_\_\_

Grant's Wish was established in 2023 by Walt and Selena Rogers in memory of their son, Grant Ransom, NHS Class of 2020.

Grant was a member of Niceville Singers for all four years at NHS. He was a member of Opus One from his sophomore year until he graduated in 2020. Grant was selected for All State Concert Chorus in 10th and 11th grades and achieved his goal of being selected for All-State Reading Chorus in his senior year at NHS. Singing in chorus, composing music, playing his flute, or his harmonica at NHS brought Grant great joy, peace, and a sense of community.

Grant's Wish is a fund established to provide financial assistance to chorus members in need of support to purchase uniforms, pay for chorus travel expenses such as bus fees and food, and pay semester fees.

Donations of any amount to Grant's Wish are appreciated. Anyone wishing to donate may write a check payable to NHS with "Grant's Wish" in the memo line. Grant's Wish is funded solely by donations, and with your generosity, will serve chorus members at NHS for years to come.
